Your privacy matters to us.

The Guyana Police Force (hereinafter referred to as "GPF") respect your privacy and offers this Privacy Policy to explain the data collection and usage practices of the www.guyanapoliceforce.gy site. This Privacy Policy also applies to other online or offline GPF sites, affiliates, products or services.

The Guyana Police Force is committed to ensuring that your privacy is protected. Thus, any personal information you provide to us will be retained in accordance with our policy outlined below for as long as the intended purpose for what it was collected to achieve.

This policy regulates the type of information collected and how it gets stored, used and disclosed. It also explains your obligation related to providing information and your rights to the personal information in the possession of the GPF.

By using the Site, you agree to the following Privacy Policy terms and conditions.

PRIVACY POLICY CONTENT

This Privacy Policy is subject to change without notice. It is your responsibility to review the then-current Privacy Policy applicable to your Site transaction or user at the time of such transaction or user. If you are dissatisfied with this Privacy Policy, you agree that your sole and exclusive remedy is to discontinue using the Site.

INFORMATION COLLECTED

"Personally Identifiable Information" refers to any information that may be used to identify or contact an individual, including, but not limited to first and last name, home or other physical address, phone number, email address, or other workplace contact information.

The GPF collects the following Personally Identifiable Information from you when you access the Site: Your name, email address, address, phone number, and payment information (credit card, debit card or PayPal MMG account name or number and associated account address).

GPF collects the following Personally Identifiable Information from you when you correspond with us by email, the contact form on the Site and the content of your message(s).

GPF also automatically collects and records non- Personally Identifiable Information from your web browser, including IP address, cookie information, and page request(s).

USE OF INFORMATION OBTAINED

The GPF use your Personally Identifiable Information to provide you with the services offered on our Site, and process payments (including disclosure of information required by third-party payment processing sites).

GPF may use Personally Identifiable Information to respond to Site visitors who request customer or technical support.

GPF may provide Personally Identifiable Information to third-party social networks at your direction, e.g. when you "tweet" or "like" something on the Service.

GPF uses browser data (e.g., operating system and browser used to access the Site) for purposes of gathering statistics about who visits our site and what pages are being

viewed. This is to ensure the Site maintains compatibility with the technologies most often used by the Site visitors. GPF may use the collected information internally or via third-party service providers for purposes such as diagnosing service or technical problems, testing the Site and its associated e-commerce operations, maintaining security, and personalizing content.

COOKIES

The Site may employ cookies - small text files containing an alphanumeric string of characters - to uniquely identify your browser and let GPF log you in faster or otherwise optimize and enhance your use of the Site. **Cookies do not collect Personally Identifiable Information.**

Cookies allow us to recognize Site visitors and avoid repetitive requests for the same information from the same visitor, which speeds up page loading times and reduces data consumption. **No other sites can read or make use of our Site's cookies.**

Most browser programs are set to accept cookies by default. You can change your web browser program settings to refuse all cookies or to alert you when a cookie is being sent. However, some features of the Site may not function properly if cookies are disabled.

INFORMATION SHARING AND DISCLOSURE

GPF does not sell the information collected through the Site or by use of its associated services.

GPF does not share the information it collects through the Site or by use of its associated services, except as described in this Privacy Policy.

GPF may disclose Personal Information if required to do so by law or in the good-faith belief that such action is necessary to (1) conform to the edicts of the law or comply with the legal process served on GPF; (2) protect and defend the rights or property of GPF; or (3) to protect the personal safety of users of GPF, its websites or the public in an urgent, emergency.

INFORMATION SECURITY

The Personally Identifying Information collected by the GPF is stored on servers located in secured facilities and protected by technology, physical protocols and procedures designed to ensure the security of such information.

However, the GPF have no control over the devices, communication networks, or technology services customers may use to access our Site or services, nor over devices, communication networks, payment processing systems, or technology services provided to us by third parties. Also, no computer, server, communications network or system data transmission over the internet, can be guaranteed as totally secured.

Therefore, while the GPF endeavour to diligently secure and protect our records and data, absolute security cannot be a guarantee for any information you provide or transmit to us through the use of the Site. By using the Site, you agree to provide such information and engage in such transmissions at your own risk.

INTERNATIONAL PROCESSING AND STORAGE

The information collected on the Site may be stored and processed in the United States or any other country in which the GPF or its affiliates, subsidiaries or assigned maintenance facilities. By using the Site, you agree to any such transfer of information.
